

29-04-2014

A S. Ibérica Lda é uma empresa têxtil sediada no Porto com uma experiência de 30 anos que se concentra na produção e agenciamento de produtos têxteis.

A vaga que estamos a publicitar é como segue e é para ser preenchida de imediato:

**Textile Engineer (Confection) – Immediate Role**

We are looking for a dynamic person with initiative, good organizational and interpersonal skills to work in a demanding environment. We are seeking candidates with a university degree and fluency in both spoken and written **English, French and German**. Please do not apply unless your language skills in two of these languages are excellent.

Professional experience in supporting CEO's (Chief Executive Officer) in industrial groups and/or in an international environment will be considered an advantage.

You must demonstrate good oral and written communication skills, be capable of working under pressure and efficiently manage priorities and multiple tasks. You consider the computer as a personal productivity instrument and you are proficient in Word, PowerPoint, Excel and Internet use.

This is a position to be filled in our office in Porto, and you will have the opportunity to build a challenging career in a motivating team and environment.

To apply please send your CV to [joao.maia@s-iberica.com](mailto:joao.maia@s-iberica.com)

Agradeço antecipadamente qualquer ajuda que possa prestar e por favor não hesite em me contactar caso tenha alguma dúvida.

Os meus melhores cumprimentos,

João Miguel Maia  
S-Ibérica – Comércio de Têxteis, Lda
